"AP opens the doors for students to show...that they can be competitive."

"When colleges review transcripts and see AP courses...they know that students have challenged themselves. They know that they are really pushing themselves."

"Many students may be the 1<sup>st</sup> ones in their family to graduate from high school and have the hopes and dreams of attending college."

"AP courses level the playing field, and you can see it in the students. They recognize it and think 'I can do this work as long as I'm willing to commit myself to work and work hard.'"

■ From "AP Report to the Nation" 2013
