The High School Schedule

- All high schools schedule students for seven classes per year.
- School starts at 7:25 am and ends at 2:10 pm.
- The 1st, 2nd, 3rd, 5th, and 6th periods are 50 minutes long.
- The 4th period includes both an A/B rotation and lunch. An additional 30 minutes is added to this period. There are four lunch shifts and each student will be scheduled to eat at the beginning, middle one, middle two, or end of the period. Students are mixed between all grade levels during lunch.

If possible, can we change classes during the school year?

Sometimes, considered on a case-by-case basis when appropriate and as space allows. Schedules are not changed to join a class with a friend or for teacher preference.

How do I join a club?

Contact the sponsor listed on the website https://ahs.hcpss.org/athletics. Most are teachers who will return back to work in August (may not check email over the summer)
